Included in every package

Campaign setup, targeting & optimisation • 15–30 second videos • 2 revision rounds per video

 **Extra AI video: QAR 300**

Your photo. Your voice. Your AI video.

Personalised AI videos using your photo and supplied script or recorded narration. Included within your video allowance.

Advertising spend is separate and paid directly to Meta or TikTok. All videos are AI-created. Additional language versions count as separate videos.

Let's grow your **business.**
